Examiner's Amendments

An Examiner's Amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 C.F.R. § 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the Issue Fee.

In claim 1, at lines 1 through 2, "dust, dirt and foreign matter" has been deleted and in lieu of - - dust and dirt - - has been inserted.

In claim 1, at line 13, "dust, dirt and foreign matter" has been deleted and in lieu of - - dust and dirt - - has been inserted.

In claim 8, at lines 9 through 10, "dust, dirt and foreign matter" has been deleted and in lieu of - - dust and dirt - - has been inserted.

In claim 8, at line 11, "dust, dirt and foreign matter" has been deleted and in lieu of - - dust and dirt - - has been inserted.

These amendments were executed because "foreign matter" is not supported in the specification.

Authorization for this Examiner's Amendment was given in a telephone interview with Mr. Richard M. Beck on August 29, 2006.

Reasons for allowance

The following is an Examiner's Statement of Reasons for Allowance:

None of the prior art discloses or suggests a system for removing dust and dirt from a paper substrate having a rotating vacuum drum and motivating means for producing speed differential between the paper, wherein the vacuum drum and the paper has a direct contact with the vacuum drum.

The closest cited prior art Barcaro (3,266,196) and Fischer et al (4,010,514) disclose vacuum drum but fail to disclose that drum have direct contact with the paper to remove dirt and dust. The references discloses tape 22 and ribbon 2 respectively, which prevent the direct contact to the vacuum drum.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
